## Glencannon Directory

Please take a moment to check your contact information that is listed in the current Glencannon directory. Within the next few months we will be publishing the 2019 edition, and want to be sure we have accurate resident information. We don't use your information for distribution lists and try not to send out too many messages. Occasionally we do have important updates to share and want to make sure we're able to reach you. Please check both your email and telephone number(s) listed. If you have any updates to your telephone number or email address, please send them to [glencannonhoa@gmail.com](mailto:glencannonhoa@gmail.com) or contact a Board member directly.

## Welcome New Residents

We extend a warm welcome to Kristen and Mark Anstrom who recently moved into 10028 Garrett Street. We look forward to seeing you and your family in the neighborhood!

## Be Sure to Lock Your Cars!

One of our homeowners on Garrett Street was reviewing their Ring video log and noticed that on Thursday morning, June 20<sup>th</sup>, at approximately 1:00 AM, a strange person was in their driveway looking in their car. Fortunately, the car was locked and there was nothing enticing visible on the seats so they moved on and did not break into the car. The homeowners did file a police report. While overall our community is very safe, it's important to remember that vandalism and such does sometimes occur, so please be vigilant and keep things locked up at night.

*To submit information or questions regarding any topic in this newsletter, please send them to the HOA Board at [glencannonhoa@gmail.com](mailto:glencannonhoa@gmail.com)*

## Community Newsletter

During the Annual Meeting in March, a recommendation was made to begin distributing the Quarterly Newsletter in paper form, mailed to each homeowner, in addition to sending the newsletter via email. After discussion during the April monthly meeting, the Board concluded that we will mail the newsletter to any household that requests a paper version be sent to them. If you know of a neighbor who would benefit from receiving a paper version, please let us know that as well. While we're happy to mail out the newsletter, we also want to cut down on unnecessary waste and postage costs if you don't feel you need a printed version. Please let us know...thanks!

## Thank You Volunteers!

Thank you so much to all who turned out to help with our annual Community Park Cleanup that took place on Saturday, April 27<sup>th</sup>. Our 19.5-acre private park is a beautiful aspect of our community, but it does require up keep. This year we accomplished quite a bit, including planting new shrubs at the main Garrett Street entrance; repairing the fence along Lawyers Road; and mulching around several of the trees and shrubs we planted last year, to name just a few accomplishments. For those who weren't able to make it this year, we look forward to seeing you next spring for the 2020 annual cleanup

**Check Out...**The Town of Vienna's 4<sup>th</sup> of July fireworks. Festivities begin at 7:00 PM at Yeonas Park. Fireworks start around 9:30.
