May 2011

President: Gayle Abbott ♦♦ Vice-President: Marko Cemovic ♦♦ Treasurer: Phyllis Loftus  
Secretary: Cathy Conroy ♦♦ Maintenance: Carol Macomber ♦♦ Ex-Officio: Chris DeLacy

## Glencannon Social

Reminder: President's

Cocktail Hour, June 3, 2011,

6:30 p.m. to 8:30 p.m.

Social events have always been a tradition in Glencannon as a way of building a sense of community. The first social event for 2011 will be on June 3 from 6:30 to 8:30 p.m. at 10012 Garrett Street. Come meet the new Board, relax, unwind from your busy week and mingle with your neighbors. You'll also have a chance to look at and comment on a few options for landscaping the park entrance.

Contribute to the sense of community, if you can, by bringing something to eat or drink that we can share. Whether you can or can't attend please let us know so we can plan appropriately by either e-mailing [glencannonhoa@gmail.com](mailto:glencannonhoa@gmail.com) or calling 703-242-2898.

## Driveway Paving Opportunity

One of our neighbors recently had their driveway repaved and was pleased with the work such that 3 others are already interested. The contractor, who is already way below market price while providing first class quality service for this work, indicated they would provide discounts if enough other people wanted to have their driveways done at this time. If you are interested in getting more information please contact Mimi Rohrbach who agreed to coordinate this project at 703-474-3536.

## Neighborhood Information

Please help keep our community looking nice and help maintain the upscale neighborhood that Glencannon has always been by remembering the following:

- Please make sure your street lamps are on after dark. This is for the safety and security of our neighborhood and the neighbors who do need to walk it after dark.
- If anyone has had someone try to open their front door late at night in the last couple months please let Marko Cemovic know. We've had a couple incidents which have been reported to the police who are monitoring the neighborhood. They have suggested considering a neighborhood watch which the board is going to gather information on. If you're interested let Marko know.
