

# The Glencannon

**A Newsletter for the Glencannon Community    September 2019**

## Mark Your Calendars

Our annual Halloween parade is scheduled for October 26<sup>th</sup>. Young or old, please join in costume as the community celebrates one of our most entertaining annual family activities as we march from the top of Garrett Street to McDuff Court for a day of festivities, friendship, and fun!

More details to come.

## Fall Reminders

School is back in session so please drive safely through our community and the surrounding neighborhoods.

## Also Remember:

- Clean up leaves on adjoining sidewalks
- Daylight Savings Time ends November 3<sup>rd</sup>. Remember to set those clocks back.
- The end of Daylight Savings Time is also a good time to change your smoke detector batteries
- Please consider donating food items to those less fortunate in our community

## Your Board wants to hear from you!

During our most recent annual meeting, the Board heard from concerned community members about the need to update our by-laws in order to maintain the integrity of the community we all love while keeping it desirable to new homeowners. Please be on the lookout for a community survey as we begin to evaluate and draft changes.

## Nominees for the New Board

If you are interested in serving on the Glencannon HOA Board, please reach out. We would love to have you and hear your fresh ideas to keeping our community great!

### Glencannon Common Area:

Our community playground equipment is increasingly becoming dilapidated due to age and it is time to consider replacement. One of our community members has graciously volunteered to help VP of Common Area John Kipps to come up with new playground equipment ideas that are more permanent, while requiring less maintenance.

John will also be assessing the tree health in our common area and evaluating proposals for a multi-year budget to ensure the quality of our trails and common area.

## What do you think?

Please let the Board know any ideas or thoughts you have to enhance our community.
